2. Other Committee Concerns.

James Martin advised staff would be meeting with David M. Griffith and Associates next week to discuss the classification study. A report from that meeting will be presented at the next Personnel Committee meeting.

Commissioner Bacote expressed his eagerness to get this study completed and do something for the employees. The County has been trying to do something about it's pay plan for much too long.

Mr. Strassenburg advised staff's target is to implement this pay plan with the budget this year.

Meeting adjourned at 1:54 PM.
