

Website Disclaimer

The information contained in the Cumberland County Health Department Website is provided as a public service to all citizens of Cumberland County and the entire Internet community. Although we encourage contributors to its web pages to provide accurate and up-to-date information, Cumberland County Health Department cannot guarantee the accuracy of the website contents. Thus, the information should not be considered to be completely error-free or to include all relevant information; nor should it be used as an exclusive basis for decision-making. The user understands and accepts the risk of harm or loss to the user's sole risk. Further, the contents of these home pages are subject to periodic change. Anyone desiring current information and data should contact the appropriate persons maintaining the information.

Information placed on the Cumberland County Health Department Website is not intended to replace any official source. Although every attempt is made to ensure that the information is accurate and timely, the information is presented "as is" and without warranties, either expressed or implied, including warranties regarding the content of medical information, of merchantability, fitness for particular purposes, and non-infringement of proprietary rights.

No information contained within the Cumberland County Health Department website should be mistaken for legal advice, nor should anyone make legally binding decisions based on this information.

There are other resources linked from these pages that are maintained by independent providers. Cumberland County Health Department does not monitor all linked resources at all times. Therefore, certain statements, views and opinions that may be made by independent provider's materials are strictly those of the authors. These views may not necessarily represent the opinions or policies of Cumberland County Health Department or the County of Cumberland, nor its agents, officers, directors, or employees.

All questions regarding specific content of this website, as well as questions of any type should be directed to the Webmaster of the Cumberland County Health Department, [Webmaster](#). General comments from the public are also encouraged. If you find or believe that information obtained from this site is inaccurate, illegible, or out-of-date, or you encounter technical or other problems when using or accessing this site, please notify us.
