## **Health Department Providing Limited Services During Relocation**

FAYETTEVILLE – The Cumberland County Department of Public Health is relocating to a new building at 1235 Ramsey St., adjacent to the Cumberland County Department of Social Services. During the move, limited services to the public will be provided at alternate sites from Jan. 4-7. For more information and guidance on where to go for services, patients are asked to call the health department switchboard at 433-3600.

“We are sorry for any inconvenience our clients experience while we are relocating, and we thank everyone for their patience during this time,” said Jane Stevens, environmental health director. “We look forward to being in our new building and sharing it with the public soon.”

Normal operations are expected to resume on Monday, Jan. 11 at 8 a.m. in the new building on Ramsey Street.
