Dateline: Sheriff Offers Tips for a Safe Halloween

The Cumberland County Sheriff's Office will observe the hours of 6:30 p.m. until 8:30 p.m. for its Halloween Trick-or-Treating curfew on October 31, 2009.

Soon our streets will be scattered with little ghosts, goblins and witches trick-or-treating this Halloween. "Halloween should be filled with surprise and enjoyment, and following some common sense practices can keep events safer and more fun," says Cumberland County Sheriff Earl R. Butler.

The Sheriff reminds all Cumberland County residents to follow these safety tips:

Motorists:

- Watch for children darting out from between parked cars.
- Watch for children walking on roadways, medians and curbs.
- Enter and exit driveways and alleys carefully.
- At twilight and later in the evening, watch for children in dark clothing.

Parents:

- Make sure that an adult or an older responsible youth will be supervising the outing for children under age 12.
- Plan and discuss the route trick-or-treaters intend to follow. Know the names of older children's companions.
- Instruct your children to travel only in familiar areas and along an established route.
- Teach your children to stop only at houses or apartment buildings that are well-lit and **never** to enter a stranger's home.
- Establish a return time.
- Tell your youngsters not to eat any treat until they return home.

- Review all appropriate trick-or-treat safety precautions, including pedestrian/traffic safety rules.

- Pin a slip of paper with the child's name, address and phone number inside a pocket in case the youngster gets separated from the group.

Costume Design:

- Only fire-retardant materials should be used for costumes.
- Costumes should be loose so warm clothes can be worn underneath.
- Costumes should not be so long that they are a tripping hazard.
- If children are allowed out after dark, outfits should be made with light colored materials. Strips of retro-reflective tape should be used to make children visible.

Face Design:

- Masks can obstruct a child's vision. Use facial make-up instead.
- When buying special Halloween makeup, check for packages containing ingredients that are labeled "Made with U.S. Approved Color Additives," "Laboratory Tested," "Meets Federal Standards for Cosmetics," or "Non-Toxic." Follow manufacturer's instruction for application.
- If masks are worn, they should have nose and mouth openings and large eye holes.

Accessories:

- Knives, swords and other accessories should be made from cardboard or flexible materials. Do not allow children to carry sharp objects.
- Bags or sacks carried by youngsters should be light-colored or trimmed with retro-reflective tape if children are allowed out after dark.
- Carrying flashlights will help children see better and be seen more clearly.

While Trick-or-Treating:

- Do not enter homes or apartments without adult supervision.
- Walk; do not run, from house to house. Do not cross yards and lawns where unseen objects or the uneven terrain can present tripping hazards.
- Walk on sidewalks, not in the street.
- Walk on the left side of the road, facing traffic if there are no sidewalks.

Treats:

- Give children an early meal before going out.
- Insist that treats be brought home for inspection before anything is eaten.
- Wash fruit and slice into small pieces.
- When in doubt, throw it out.

Homeowners/Decorations:

- Keep candles and Jack O' Lanterns away from landings and doorsteps where costumes could brush against the flame.
- Remove obstacles from lawns, steps and porches when expecting trick-or-treaters.
- Keep candles and Jack O' Lanterns away from curtains, decorations and other combustibles that could catch fire.
- Do not leave your house unattended.

"Halloween is a fun time in Cumberland County," Sheriff Butler concluded, "But let's make it a safe time as well. The major dangers are not from witches or spirits but rather from falls and pedestrian/car crashes. "
