## **H1N1 Flu Clinic at Crown Expo Center Saturday, Jan. 23**

FAYETTEVILLE – The Cumberland County Public Health Department will offer an H1N1 Flu Clinic on Saturday, Jan. 23, from 9 a.m. to 3 p.m. at the Crown Expo Center located at 131 East Mountain Drive.

The vaccine will be available to the general public. There will be no out-of-pocket expense for the vaccine. An administrative cost will be billed to insurance providers. Everyone is asked to please bring a picture ID to the clinic.

Dr. Lan Tran-Phu, the department's medical director, encourages citizens to protect themselves from the flu by getting vaccinated.

“We are still in the midst of the flu season, which usually gets worse with the cold weather,” she said. “The best protection is to be vaccinated against the flu.”
