County Receives \$73,714 in Stimulus Funds For Nutrition Services to Older Adults

FAYETTEVILLE – Cumberland County is receiving \$73,714 in American Recovery and Reinvestment Act funding for the Congregate and Home Delivered Nutrition services provided by the Cumberland County Coordinating Council on Older Adults. The Council is providing the required local match, which is 10 percent of net costs.

The Board of County Commissioners designated Mid-Carolina Area Agency on Aging as the lead agency for planning and coordination of the county's funding for older adult services.

Glenda Dye, the agency's contracts manager, estimates the stimulus money will fund nutrition services for 126 people this year either at the county's nutrition sites for older adults or through the home-delivery program.
