County Wins Financial Reporting Award

FAYETTEVILLE – The Government Finance Officers Association of the United States and Canada has recognized Cumberland County for excellence in financial reporting.

The Certificate of Achievement for Excellence in Financial Reporting has been awarded to Assistant County Manager Amy Cannon, the county's financial director, for the county's comprehensive annual financial report for fiscal year 2009.

The award is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management.

According to the non-profit professional association, the report was judged by an impartial panel to meet the high standards of the program including demonstrating a constructive "spirit of full disclosure" to clearly communicate its financial story and motivate potential users and user groups to read the annual report.
