Mulch for Sale, New Hours at Container Sites

FAYETTEVILLE – There's good news for those of you who are gardening and sprucing up your yards this spring. Cumberland County Solid Waste Management has both rough-cut and screened mulch available at the Wilkes Road Landfill, 771 Wilkes Road in Fayetteville.

The cost is \$10 for a pick-up truckload or a small trailer full; larger loads cost \$5 a cubic yard. Red hardwood mulch is available for \$60 a pickup truckload or \$30 per ton for larger loads.

The hours are Monday through Saturday from 8 a.m. to 3:30 p.m. Call 486-0839 for more information.

Also, Solid Waste has established **new hours at its container sites**. The change reflects a shifting of hours, not a reduction. The affected container sites are now opening and closing one hour earlier. Please check <http://www.co.cumberland.nc.us/swm/> or call Solid Waste at 321-6928 to confirm the hours for the container site near you.
