## **Jail Architects to Meet Tuesday with Stakeholders and Public**

FAYETTEVILLE, N.C. – The Board of Commissioners has hired Mosely Architects to provide architectural services for the Detention Center Expansion Project. The initial scope of services includes developing a building program, conducting an evaluation of the existing detention facility and site, and preparing conceptual schematic plans that incorporate expansion scenarios ranging from partial to full build-out of the existing site.

A Detention Center Expansion Project kick-off meeting with the design team and interested stakeholder groups is set for Tuesday, Nov. 23, at 9 a.m. in Room 119 of the Courthouse.

The general public is invited to meet with the architectural team for a question and answer forum in Room 119 of the Courthouse later Tuesday afternoon from 1 to 2 p.m.
