

Fayetteville

(Sponsored by Fayetteville State Univ. & Cumberland Co. Emergency Services)

Severe Weather 2011 April 7, 2011

2 pm – 4 pm...National Weather Service SKYWARN Training

Severe Weather SKYWARN Weather Spotter Training

The National Weather Service will present a Severe Weather Spotter training program to help participants understand the warning process, recognitions of severe storms and severe weather planning.

The following topics will be covered...

- how and why buildings fail in high winds, safe shelter identification
- indoor and field safety, lightning risks and impacts on the body
- thunderstorm development and severity
- recognition of storm/cloud elements
- anticipating storm motion, intensity and severity based on cloud structure

Free To Attend

Location:
Fayetteville State Univ.
Shaw Auditorium

1200 Murchison Rd
Fayetteville, NC
