Hope Mills Branch Library Closes Jan. 30-31 for Improvements

Cumberland County Public Library & Information Center's Hope Mills Branch Library at 3411 Golfview Rd., Hope Mills, will be closed Monday, Jan. 30, and Tuesday, Jan. 31, while the check-out desk is modified to accommodate Radio Frequency Identification technology (RFID).

While work is being completed at Hope Mills Branch Library, customers may return materials through the drop box there or to any other library location. Hope Mills Branch will reopen on Wednesday, Feb. 1 at 9 a.m.

RFID technology enables communication through radio waves to track library materials. As a result, customers can check out their own materials, virtually eliminating waiting in line for service. Headquarters Library, Cliffdale Regional, East Regional, West Regional, Bordeaux Branch and Spring Lake Branch are already utilizing this technology.

For more information, call 483-7727, or visit www.cumberland.lib.nc.us.
