Soil & Water District Taking Orders for Tree Seedling Sale

FAYETTEVILLE – The Cumberland County Soil & Water Conservation District is now taking orders for its annual tree seedling sale. Orders will be accepted through Aug. 30 with delivery in December. Order forms are available online at http://co.cumberland.nc.us/soil_water under the “Events” tab on the web page’s right side.

Three species of trees are available: Longleaf Pine, Loblolly Pine and Eastern Red Cedar. All three species are evergreen trees native to North Carolina. Seedling prices are as follows:

- Longleaf Pine: \$5 per bundle of 15 seedlings
- Loblolly Pine: \$5 per bundle of 20 seedlings
- Eastern Red Cedar: \$5 per bundle of 5 seedlings.

Trees help prevent erosion of fertile topsoil, beautify property, provide energy-saving shade and provide habitat for birds and other wildlife. Anyone interested in ordering seedlings must complete the order form and return it with payment by Aug. 30. Please make checks payable to:

Cumberland SWCD
301 East Mountain Drive, Suite 229
Fayetteville, N.C. 29306.

For more information, call (910) 484-8479 or visit the Soil & Water Conservation District office inside the Charlie Rose Agri-Exposition Center at 301 E. Mountain Drive in Fayetteville.
