## **Godwin Town Park Ribbon Cutting Set for March 30**

GODWIN, NC – The Town of Godwin will officially open its new community park on Friday, March 30 at 10 a.m. during a ribbon-cutting ceremony at the park, located next door to the Town Hall at 4924 Markham St.

The town and the Fayetteville-Cumberland Parks and Recreation Department received a \$150,000 North Carolina Parks and Recreation Trust Fund (PARTF) grant in 2010 to develop the 12-acre park, which features playground equipment, a walking trail, picnic shelters, and a volleyball court.

The Godwin Town Park is a joint project. The Town of Godwin, Cumberland County and Fayetteville-Cumberland Parks and Recreation provided matching funds and resources.

“We are very blessed to have partnered with such professionals who were focused on bringing a worthwhile project to the citizens of northern Cumberland County,” said Mayor Deborah Godwin.

“This is a dream come true for me as a lifelong Godwin resident,” Godwin said. “I am looking forward to seeing our citizens using these wonderful outdoor facilities and enjoying them with their family and friends.”
