Soil and Water District Taking Orders for Tree Seedling Sale

FAYETTEVILLE – The Cumberland County Soil and Water Conservation District is now taking pre-paid orders for its annual tree seedling sale through Aug. 30. Order forms can be downloaded from the Soil and Water website at www.co.cumberland.nc.us/soil_water by clicking under the “Events” tab.

Three species of trees are available: Longleaf Pine, Loblolly Pine and Eastern Red Cedar. All three species are evergreen trees native to North Carolina. Seedling prices are as follows:

- Longleaf Pine: \$5 per bundle of 15 seedlings
- Loblolly Pine: \$5 per bundle of 20 seedlings
- Eastern Red Cedar: \$5 per bundle of 5 seedlings.

Trees help prevent erosion of fertile topsoil, beautify property, provide energy-saving shade and provide habitat for birds and other wildlife. Anyone interested in ordering seedlings must complete the order form and return it with payment by Aug. 30. Please make checks payable to:

Cumberland SWCD
301 East Mountain Drive, Suite 229
Fayetteville, N.C. 29306.

Proceeds from the annual tree seedling sale are used to fund educational projects in the district.

For more information, call (910) 484-8479 or visit the district’s website at http://www.co.cumberland.nc.us/soil_water.
