Senior Health Fair May 14 at DSS

FAYETTEVILLE – Cumberland County Department of Social Services will host the ninth annual Senior Health Fair May 14 from 8:30 a.m. to 12 p.m. on the first floor of the DSS building, 1225 Ramsey St.

The fair is in observance of Older Americans Month and this year's theme is "Safe Today, Healthy Tomorrow." There will be over 35 vendors present with information about resources and services available for senior citizens in the community. There will also be entertainment, music, snacks and door prizes.

"We want senior citizens to know more about how to continue to be safe today and healthy tomorrow," said Makkita McKoy, General Services Social Work Supervisor II. "Come join us at the Department of Social Services for information and fun with our staff and the vendors."

For more information, contact McKoy at 910-677-2822.
