

Centipede Lawn Problems Seminar Sept. 17, 8:30 a.m. until Noon

Media Contact: Kenneth W. Bailey, Agricultural Extension Agent
(910) 321-6871

Date: August 25, 2014

FOR IMMEDIATE RELEASE

A Centipede Lawn Problems seminar will take place at the Cumberland County Cooperative Extension Center on Sept. 17 from 8:30 a.m. until noon. Topics covered will include insect, weed and pest management in centipede lawns, as well as best management practices for maintaining a healthy centipede lawn.

Continuing educational pesticide credits will be offered for licensed pesticide applicators in categories L, N, D and X. Preregistration is requested by Sept. 15. For more information and to preregister, call Peggy Elliott at 910-321-6872 or Kenny Bailey at 910-321-6871.
