## Employers Invited To Participate In March 27 Job Fair

FAYETTEVILLE – Employers are invited to participate in an upcoming job fair on March 27 from 9 a.m. to 2 p.m. at the Crown Expo Center, 301 East Mountain Dr.

The Cumberland County Department of Social Services Work First Program is partnering with Beasley Broadcast Group, the City of Fayetteville Community Development, Cumberland County Public Library, Fayetteville Technical Community College, Hardee's and the Public Works Commission to present the "March To Work" Job Fair. This event is free and open to the public. A virtual Internet Café is planned to enhance the job search experience.

The event provides a great opportunity for employers to find new employees as well as advertise their businesses. In previous years, the job fair has attracted as many as 4,700 people. There will be 110 booths at the job fair and seminars available to assist with employment readiness. Space is free and equipped with wireless Internet access. Electrical access for booth space is available for a \$25 fee.

For more information and to sign up for a booth, contact Toni Wright-Harris at 910-677-2151 or Robert Relyea at 910-677-2222. Please respond on or before March 12 as spaces will fill up quickly. If you require electrical access, make your request known when you reserve your space. Payment for electrical access must be received by March 14.
