Wilkes Road Treatment and Processing Facility Closed Saturday For Road Repairs

FAYETTEVILLE – The Wilkes Road Treatment and Processing Facility, 771 Wilkes Rd., will be closed Saturday so repairs can be made to a road at the facility. The Ann Street Landfill and other Solid Waste container sites will operate on normal Saturday hours.

The Wilkes Road facility accepts yard waste, clean wood, pallets and small tree stumps. Normal operating hours are Monday through Saturday from 8 a.m. to 4 p.m. Container sites will accept yard waste from citizens who normally use Wilkes Road on Saturday, but commercial customers must wait until the Wilkes Road facility re-opens Monday to dispose of yard waste. A list of container site locations is available at http://www.co.cumberland.nc.us/solid_waste_mgmt/container_sites.aspx.
