## **Animal Control Seeks Information in Cruelty Case**

FAYETTEVILLE – Cumberland County Animal Control cruelty investigators are seeking the public's assistance in locating the owner of a dog that was found dead on May 28 in a black wire crate on Columbine Road, next to a communications tower.

The black female Rottweiler mixed breed dog was wearing a multi-colored collar. The dog appeared to have been dead for several days and looked to have been healthy, with a good weight and well-maintained coat and nails, according to Animal Control Sgt. Christy Burns.

Animal Control responded to a call at 11:10 p.m. on May 28 after a woman reported that her neighbor was walking his dog and asked her to call officials after he discovered the dead animal.

Anyone with information related to the case is asked to call Animal Control at 910-321-6936.
