### FOR IMMEDIATE RELEASE

Due to popular demand, Cooperative Extension's Better Living Series registration guidelines have been revised to better meet the needs of the community.

Registration and registration fees are due no later than two business days before the scheduled workshop. Interested participants are still required to preregister and prepay for the workshops by the new deadline. The revised deadline became effective March 1 and will allow more residents the opportunity to attend these informational and beneficial workshops. Class size is limited in some workshops so please plan to register early.

For a complete listing of the Better Living Series workshops, please visit the Cumberland County Cooperative Extension website at [cumberland.ces.ncsu.edu](http://cumberland.ces.ncsu.edu) or by contacting Susan Johnson at 910-321-6405.

For accommodations for persons with disabilities, contact Lisa Childers at 910.321.6880, no later than five business days before the event.
