*Date:* Nov. 28, 2016

FOR IMMEDIATE RELEASE

A seminar providing information concerning aquatic weed management and pesticide safety will be held on Tuesday, Dec. 6, from 9:00 am until 12:00 noon in the Cumberland County Cooperative Extension Center located at 301 East Mountain Drive, Fayetteville. Topics discussed will include aquatic weed identification, proper application of aquatic herbicides and proper use of personal protective equipment during pesticide application. Persons attending this seminar can earn three (3) hours of continuing pesticide educational credits in categories A, D, N and X. Please RSVP your attendance to Kenny Bailey at 910-321-6871 or [kenneth\\_bailey@ncsu.edu](mailto:kenneth_bailey@ncsu.edu) by Friday, Dec. 2.

For accommodations for persons with disabilities, contact Kenny Bailey at 910.321.6871, no later than ten business days before the event.
