Headquarters Library Closure Extended through Sunday, Oct. 30

All other library branches operating normally

Headquarters Library at 300 Maiden Lane remains closed at least through Oct. 30. The recovery process from flood damage to the basement is continuing at a fast pace; however, the elevator is not operational, staff continue work to relocate services and materials, and the parking lots are being used by restoration trucks and work crews.

Seven of eight locations of the Cumberland County Public Library & Information Center are operating on a normal schedule. Bordeaux Branch at 3711 Village Dr. is the nearest location to Headquarters Library. Hours are Monday through Wednesday, 9 a.m. until 9 p.m.; Thursday through Saturday, 9 a.m. to 6 p.m., and closed on Sunday. Bordeaux Branch may be reached at 424-4008.

Public computers are available at all open branches and all locations have access to Wi-Fi. Rooms may be reserved online at the seven locations that are open; room reservations have been canceled at Headquarters Library. In addition, the library's website has 24/7 digital resources: e-books, homework help and more.

The library's [website](#) has updates about local disaster assistance and ways you can help give back in your community.
