### QUESTIONS & REPOSES

- **Is there an amount budgeted for the project?**  
Cumberland County did not establish a funding cap. The most responsible bidder will be considered.

Cumberland County would like for the project to be completed within the shortest time frame.
- **Was there a question and answer session for this RFP? If so is there a transcript of the call/ Recorded link that I might obtain.**  
The County did not conduct a Q & A session.
- **Has any additional insight on strategic planning goals or objectives been provided?**  
The only planning goals / objectives identified are those outlined in Cumberland County Community Development Department's Consolidated Plan (5 – Year Strategic Plan). However, this plan is associated to administering the Community Development Block Grant and HOME Investment Partnerships Program entitlement funding that the County receives. Please refer to this [link to access the plan](#).
- **Is there a set list of Homeless Support agencies/entities that you want reviewed? I have the Cumberland directory, is this the best source?**  
There is not a preferred list of agencies for review. However, the selected firm may want to consult with the [Fayetteville / Cumberland County Continuum of Care on Homelessness](#) group which consists of a coalition of member agencies and advocates. Also, there is an [guide of community resources](#) prepared by the Cumberland County Library that may be a good source.
