### **Business Yard of the Month Goes to Spring Lake Branch Library**

Fayetteville, NC—The Spring Lake Branch of Cumberland County Public Library & Information Center (CCPL&IC) has recently received the Community Appearance Commission Business Yard of the Month for the month of September 2003 from the Town of Spring Lake Appearance Commission.

According to the notification letter from the commission, Spring Lake is divided into five areas, and each month a search is made throughout the areas to identify the citizens who have maintained their landscape the best.

County Landscaping maintains the grounds of the facility. Their hard work and pride in the facilities they maintain manifest in this salute from the Town of Spring Lake.
