**CUMBERLAND COUNTY CELEBRATES JUNE AS
ADOPT-A-SHELTER CAT MONTH**

FAYETTEVILLE – When the stresses of a world in turmoil or merely a bad day at the office threaten to overwhelm, help is just a cat-in-the-lap away. Feline therapy eases anxiety by lowering blood pressure and releasing “feel good” endorphins. At this time of year when animal shelters are over-flowing with cats of all ages, there has never been a better time to adopt a feline therapist and let a cat heal your heart.

Cumberland County Animal Control joins Petfinder.com and The American Society for the Prevention of Cruelty to Animals (ASPCA) in declaring June Adopt-a-Shelter-Cat month.

Cumberland County Animal Control invites the public to partake in some relaxation therapy by stopping by the shelter to meet available feline therapists and adopt a life-long companion.
