## Rabies Vaccination Clinics Scheduled for April

FAYETTEVILLE – Starting April 5, rabies vaccination clinics for dogs and cats will be held from 4 to 6 p.m. every Tuesday and Thursday throughout April at different locations each day. A total of 23 clinics at 23 different sites throughout the county are scheduled. The cost is \$10 per animal.

North Carolina law requires that “The owner of every dog and cat over four months of age shall have the animal vaccinated against rabies.” In Cumberland County, the owners of dog and cats which have not been vaccinated in accordance with this law are subject to a civil penalty in the amount of \$100.

To remain properly immunized, a dog or cat must receive two rabies vaccinations one year apart, then one vaccination every three years thereafter.

Please keep your dog on a leash. Keep your cats in separate carriers or boxes or leave them in your car. Owners may be held responsible for their pets and for any damage they cause.

Please bring cash. Checks will not be accepted.

For more information, call the Environmental Health Division of the Cumberland County Public Health Department 433-3660 or Cumberland County Animal Services at 321-6852.
