Cliffdale Regional Branch Library Closes Monday for Improvements

Cliffdale Regional Branch Library at 6882 Cliffdale Road is closed Monday, Sept. 26, while the check-out desk is modified for the self check-out of materials through Radio Frequency Identification technology (RFID). The library reopens at 9 a.m. on Tuesday, September 27.

Materials may be returned in the drop box at the library or to any Cumberland County Public Library & Information Center location during the closing.

RFID technology enables communication through radio waves to track library materials. As a result, customers are able to checkout their own materials, which virtually eliminates waiting in line for service. West Regional Branch Library and Bordeaux Branch Library are already utilizing RFID technology.
