Sheriff Ennis Wright is pleased to launch the Cumberland County Sheriff's Office Twitter account – @Sheriff\_EWright – which we hope will be a platform for the sheriff's office to communicate and share information relevant to Cumberland County. The agency will be tweeting out information concerning news of upcoming events, and sharing the content we regularly post on our Facebook account. We also adopted the hashtag #Dothewrightthing and we are going to continue to use that hashtag for events, and other news. We hope that many of you choose to follow us and we can build a safer community.
