Wilkes Road Landfill Open, Back On Regular Schedule

FAYETTEVILLE – The Wilkes Road Treatment and Processing Facility at 771 Wilkes Road has re-opened, following a mulch fire that closed the facility April 11. The facility is open Monday through Saturday from 8 a.m. to 4 p.m.

The Wilkes Road Treatment and Processing Facility accepts residential yard waste and commercial land-clearing debris. Vegetative debris is treated and sold for boiler fuel and used to create screened compost and mulch.
