Cooperative Extension July Better Living Workshop

Fayetteville – Cumberland County Cooperative Extension will hold the Better Living Series Workshop “The Wonder of Water” July 13 from 9 a.m. to 12 p.m. The workshop will begin at the Cooperative Extension Center, 301 E. Mountain Dr., and will include a field trip to a local water feature master. The \$5 registration fee is due by July 10. Space is limited. Early registration is encouraged.

Nothing can transform a garden quite like moving water. Take a short drive with Cooperative Extension and experience the serene landscape of our local water feature master. The tour will focus on water falls, koi points and bubbler fountains to show you how to create your own inviting home garden.

Visit the Cooperative Extension website at <https://cumberland.ces.ncsu.edu/> for a complete listing of 2017 Better Living Workshops or for more information. Call Susan Johnson at 910-321-6405 for more information.

For accommodations for persons with disabilities, contact Lisa Childers at 910-321-6880 no later than five days before the event.

ABOUT N.C. COOPERATIVE EXTENSION

North Carolina Cooperative Extension is a strategic partnership of NC State Extension, The Cooperative Extension Program at N.C. A&T State University, the U.S. Department of Agriculture’s National Institute of Food and Agriculture (USDA-NIFA), and local government partners statewide. Extension delivers research-based education and technology from NC State and N.C. A&T that enriches the lives, land and economy of North Carolinians. Extension professionals in all 100 counties and the Eastern Band of Cherokee provide educational programs specializing in agriculture, youth, communities, health and the environment.
