County Invites Advisory Boards and Public to Training

FAYETTEVILLE – The Cumberland County Board of Commissioners is inviting all members of its appointed boards and committees to attend “How to be an Effective Board Member” training April 10-11 in the Crown Complex Ballroom. The commissioners also encourage any resident interested in serving on a board to attend.

Professional trainer Denise Ryan will lead two 90-minute sessions on April 10 at 12 p.m. and 5:30 p.m. The last session will be on April 11 at 8 a.m. Participants are asked to reserve their seats by April 3 by calling 678-7772 or emailing kbeam@co.cumberland.nc.us. Light refreshments will be provided and participants should arrive at least 15 minutes prior to the start of each session.

One of the County’s strategic objectives is to enhance collaboration between county government and other boards, committees and commissions.

“We are offering this training to increase the understanding of what is expected of board members. We will look at who you represent and how you can have a bigger impact,” said Chairman Glenn Adams. “I encourage anyone currently serving on a board or committee or interested in serving to please attend one of the sessions.”

Please see the attached invitation.
